## Report of Simultaneous Seismic and Diving Operations

### Diving Vessel Report

Date of report:		Vessel location:	
Seabed depth:	msw	Depth of diver(s) in water:	msw
Bell depth:		msw	
Distance to seismic source when reported by divers:		km	

#### Diver in-water experience \*

Noise	Vibration	Disorientation	Communication difficulty
None	None	None	None
Aware	Aware	Aware	Minor
Uncomfortable	Uncomfortable	Uncomfortable	Serious
Intolerable	Intolerable	Intolerable	

#### Bellman experience \*

Noise	Vibration	Disorientation	Communication difficulty
None	None	None	None
Aware	Aware	Aware	Minor
Uncomfortable	Uncomfortable	Uncomfortable	Serious
Intolerable	Intolerable	Intolerable	

#### Supervisor experience \*

Communication difficulty
None
Minor
Serious

#### Environmental conditions during SIMOPS \*

Seabed type	Sea swell	WMO sea state code (0-9)
Hard	Low	
Medium	Moderate	
Soft	High
